AN AUCTION SALE IS NOT AN APPROVAL SALE

TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgment as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U.S. funds. 1½% per month service charge will be added to all bids delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. (a) **Authenticity:** All lots are guaranteed to be genuine.
(b) **Quality:** Any lot, description of which is incorrect, is returnable within fourteen (14) days of receipt and must be received by the auctioneer within 4 weeks from the date of the auction. Any disputed lot must be returned intact in the condition received. The following lots are not returnable: From purchasers who had the opportunity to examine them before the auction.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N.Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

THE UNIOUE 1795 JEFFERSON HEAD THICK PLANCHET CENT.

- 311 This is the coin discovered by Joseph Rose and Anthony Terranova which was described at length in PENNYWISE for December 15th, 1974, Sheldon NC1, with thick planchet and lettered edge, the only one yet found with this combination, and, as such, unique.

The lettered edge shows vertical lines between D and F, R and A, and O and L, these appearing to be old test cuts. It appears to be struck on a normal thick planchet, such as was used at the time, and the edge letters are not of uniform size. The hair detail is quite sharp, better than the plate coin in PENNY WHIMSY, with some light file striations as on that plate coin.

The coin should grade very fine, notwithstanding an ancient half inch scratch on the right obverse extending from a little below the Y almost to the end of the pole. An edge ding to the left of the date and a couple of other minor edge imperfections complete the picture. The coin weighs exactly 200 grains.

This is a rare opportunity to own what may be the most valuable United States large cent ever offered for sale. (Estimate)

Photo Enlarged. The coin should bring in excess of (30,000.00)

MORGAN DOLLARS

- 885 1878 (S71) 8 feathers. Proof (700 minted) Slight edge ding on rim at "N" of "unum", otherwise a decent coin with some toning, numerous light hairline scratches, etc. (500.00)

- 887 1880 (S82) 1355 issued in Proof. Our specimen shows red toning on the frosted devices, and the same hairline evidence of careless handling apparent on most of the Proofs in this sale—a nice coin but not a gem piece. (450.00)
- 888 1881 (S91) 975 in Proof. This one is considerably less hairlined than the above, has a toned spot or stain at 4 o'clock on the obverse but is quite pleasing on the whole. (450.00)

- 894 1886 (S113) Proof. Hairlines and tarnish spot behind head, decent coin. (300.00)
- 895 1886 (S113) Proofs struck—886, ours just as the preceeding coin. (475.00)

- 898 1889 (S124) 811 struck in Proof, and this specimen a bit nicer than the above, although not without its little faults. (475.00)

- 899 **Morgan 1890 (S128) Proof (590 struck) although not a gem, this is a lovely coin. It has a few extremely light speckles, a hairline or two, nothing obvious, serious or even apparent.** (500.00)

| | | |
|-----|---|-----------------|
| | | (Estimate) |
| 900 | 1890 (S128) only 590 struck in Proof. Nice, relatively clear fields, minimal hairlines, tiny carbon spot below "M" of "unum". | (500.00) |

| | | |
|-----|---|-----------------|
| 907 | 1894 (S145) Nicely toned, nice uncirculated. | (600.00) |

| 909 | Another even a little nicer than above. | (625.00) |

| | | |
|-----|---|-------------------|
| 910 | 1895 (S148) Known only in Proof, and the key to this series. Although it hardly differs from the others, we shall make a fuller description due to its rarity. There are numerous but very light hairline scratches on both obv. and rev. surfaces, nothing terribly serious but there. There is a very light speckling of tiny spots scattered about, again not serious, and very little else worthy of note. | (8,000.00) |
|-----|---|-------------------|

Lot 910A — Another, this one a late arrival, and nicer than the above. There are a few tarnished spots below the chin, a few more in the right field, and similar spots on the reverse. There are a few minor hairlines and tiny scratches as well. Still a beauty. (Estimate)

TRADE DOLLARS

ALL IN PROOF

- | | | |
|-----|---|------------|
| 935 | 1873 (TD1) nice bright coin of which only 865 were struck. This piece is a rather typical specimen, a few hairlines, a couple of light scratches including a few on left rev. | (1,500.00) |
| 936 | 1874 (TD4) 700 struck. Very similar to the above, including the reverse scratches. | (1,500.00) |

- 938 1875 (TD7) Proof, 700 struck. Not a first rate coin, but not that bad either. (Estimate)
Some surface mishandling is visible, a few slight scratches, hairlines, etc., tiny interruption of the reverse wire edge. (700.00)
- 939 1876 (TD11) 1150 struck in Proof. This piece is a bit nicer than the above coin. (1,500.00)

- 942 1879 (TD21) Proof only (1541) and lovely, although not without its very minor faults. (1,500.00)
- 943 **1880 (TD22) Proof only (1987). Not quite as nice as the above, having just a few more tiny imperfections.** (1,500.00)

END OF SALE — THANK YOU

DON'T BID IN THE DARK

If buying at auction is new to you

If you are unsure of what to bid

If your bids are generally unsuccessful

If you would like advice in bidding

You can take much of the guessing out of bidding at auction. We'll be happy to place our sixty-seven years of auction experience at your service, by supplying our estimates of the probable realizations of the lots in which you are interested. Simply send us a list of these lot numbers (leaving space for us to insert our valuations), and enclose a stamped, self-addressed envelope. Our reply will be forwarded promptly. If time is short, call us for this information. OF COURSE, HOW MUCH YOU BID, OR WHETHER YOU BID AT ALL, IS UP TO YOU.

Naturally, using our estimates doesn't mean that you will obtain every lot on which you bid. But you will be in the ball park, and should obtain a fair proportion of your bids, and at prices consistent with current market values.
